

English	Maths	Science
<p>We will be reading a variety of different Fairy Tales. We will explore these stories through role play and drama.</p> <p>We will retell stories in whole sentences with correct punctuation. We will also be using more “wow” words in our writing.</p>	<p>We will be exploring, comparing and ordering numbers to 20 and beyond. We will count to 100 and be able to recognise odd and even numbers. We will continue to add and subtract numbers to 20. We will also be measuring length, mass and capacity and describing position and movement.</p>	<p>We will continue to look at the way the seasons change as we enter Spring. We will look at how seeds and plants grow and how the trees change over Spring. We will also find out what plants grow in our local area and what plants need to grow healthily.</p>
<p><b>Art</b></p> <p>We will be exploring how texture and colour can be used to show emotions. We will create mood boards for different Fairy Tale characters. We will also be using printing techniques and collage. The work will be abstract and based on the work of Klee and Kandinsky.</p>	<p style="text-align: center;"><b>Year 1</b> <b>Once upon a time...</b></p> 	<p><b>Music</b></p> <p>We will be exploring instruments and how they can be used to create mood and tell a story. We will compose soundscapes for different stories and characters.</p>
<p><b>Computing</b></p> <p>We will continue to develop our keyboard and mouse skills. We will log on to the computer independently using our username and password.</p>		<p><b>PSHE</b></p> <p>We will be talking about feelings and emotions and how we can manage these.</p>
<p><b>Humanities</b></p>	<p><b>MFL</b></p>	<p><b>Visits</b></p>
<p>This will link to Science as we look at plants in our local area.</p>	<p>We will be using simple greetings in French. Eg bonjour, au revoir, ca va?</p>	<p>We will be planning and holding a “Fairy Tale Ball”. Children and staff will be invited to dress as fairy tale characters</p>
