

English	Maths	Science
<p>We will be learning to use expanded noun phrases and a range of conjunctions in our writing. The children will be exploring a wider range of punctuation and writing an exciting narrative set in a wonderland.</p>	<p>This term we will be focusing on the calculations skills of subtraction, multiplication and division. We will be exploring measures and shape and space.</p>	<p>We will be learning about light and dark. The children will learn to recognise that they need light in order to see, and that darkness is the absence of light. We will be investigating reflections, shadows and understanding the dangers of light from the sun.</p>
<p>Art</p> <p>We will be record textures and patterns from nature, and recreating these textures using a variety of techniques. We will be learning to print using different materials and printing with two colour overlays. The work will be inspired by artist Wolf Kahn.</p>	<p style="text-align: center;">Year 3 Wonderland</p> 	<p>Music</p> <p>The children will have weekly Steel Pan lessons with "Rock It!" specialist music teacher. They will take part in a production of "Peace Child" with Y4. They will develop their skills in maintaining a tune and a singing in parts.</p>
<p>Computing</p> <p>In computing we will be combining a mixture of text, graphics and sound to communicate ideas and learning.</p>		<p>PSHE</p> <p>We will work on British Values, particularly democracy. We will also be exploring emotions through the drama work for the production.</p>
<p>Humanities</p>	<p>MFL</p>	<p>Visits</p>
<p>In humanities we will be using compass points for directions and grid references and making deductions by observing local buildings.</p>	<p>We will be learning some simple conversation skills in French.</p>	<p>In school we will be enjoying a Wonderland tea party.</p>
