

Curriculum Newsletter Year 4 Spring Term

| English | Maths | Science |
|---|--|---|
| <p>We will be working on our story writing skills and work on including speech, expanded noun phrases, fronted adverbials, determiners and relative clauses. We will also study and write poetry.</p> | <p>We will be working on the calculation skills of subtraction, multiplication and division. We will be exploring fractions and decimals.</p> | <p>Our science focus this term is on sound. We will study how sound travels, about vibrations and how our ears work.</p> |
| Art | <p style="text-align: center;">Year 4 The Lion the Witch and the Wardrobe</p>  | Music |
| <p>We will take inspiration from the work of Monet and the links between music and art. We will be using water colours to explore use of colour and create a snowy scene using chalk. We will also create a Narnia scene using different types of art techniques.</p> | | <p>We will be rehearsing for our production of "Peace Child". The children will develop their singing skills of singing in tune, controlling breathing, performing with control and an awareness of others. We will also use percussion instruments to sustain a rhythm to accompany singing.</p> |
| Computing | | PSHE |
| <p>In computing we will be using search engines safely and understand how to use technology safely, responsibly and respectfully.</p> | <p>We will be discussing risk, safe internet use, the dangers of talking to strangers and what to do if you get lost. We will also explore human emotion through our drama work and learn about emotional and mental health.</p> | |
| Humanities | MFL | Visits |
| <p>In geography we will be studying forest settings and what grows in them. In history we will learn about author C.S Lewis.</p> | <p>We will be developing our French skills by learning the days of the week, months of the year, colours and food.</p> | <p>We will be visiting Conkers and have Forest School sessions on site to enrich learning.</p> |
