

Toileting Workshop

Every child is different – they learn to walk and talk at different times, and to be clean and dry at different times. You know your child best so don't feel that you have to start potty training just because other people are!

Eric's Guide to Potty Training: June 2017

The School Nursing Service offer free toileting workshops to support and advice to parents and carers of children aged 4-19 years. These workshops explore:

- ❖ What is toilet training and the management
- ❖ Bladder capacity
- ❖ Advice and support
- ❖ Routines
- ❖ Toileting patterns

To find out more about our workshops or book a place on a workshop contact our Single Point of Access on Tel: 01922 423349 or Email schoolnursing@walsallhealthcare.nhs.uk
