**Parents/Carers of children at
Goldsmith Academy**

Dear Parents/Carers of children at

Goldsmith Academy

I am writing to you in regards to a proposal for a school expansion at Goldsmith Academy.

It is the Local Authorities intention to take the proposal to enlarge Goldsmith Academy from 2 – 3 form entry taking the PAN to 90 from September 2021. This will be taken to a Cabinet meeting on 20 March 2019. If possible the local authority would ask the school to admit above PAN from September 2019.

Before the proposal is taken to Cabinet for a final decision there will be a four-week consultation period where people are welcome to comment on the proposal and as to whether they agree or object to the proposal.

This consultation period will begin Friday 18 January 2019 and close on Friday 15 February 2019 at 5pm; I will be attending Goldsmith Academy on Wednesday 30 January 2019 to discuss the proposal as below:

School Council	Parents	Staff	Governors
2pm	2.30pm	3.30pm	4.00pm

Any comments on the proposal should be sent to Alex Groom – School Organisation Manager either by email alex.groom@walsall.gov.uk or by post Walsall Civic Centre, Admissions & Pupil Place Planning Team, Zone 2E, Darwall Street, Walsall, WS1 1TP.

Kind Regards

Alex Groom
